## 2024-2025 School Accountability Report Card (Published During the 2025-2026 School Year)

### General Information about the School Accountability Report Card (SARC)

#### SARC Overview

By February 1 of each year, every school in California is required by state law to publish a School Accountability Report Card (SARC). The SARC contains information about the condition and performance of each California public school. Under the Local Control Funding Formula (LCFF) all local educational agencies (LEAs) are required to prepare a Local Control and Accountability Plan (LCAP), which describes how they intend to meet annual school-specific goals for all pupils, with specific activities to address state and local priorities. Additionally, data reported in an LCAP is to be consistent with data reported in the SARC.

- For more information about SARC requirements and access to prior year reports, see the California Department of Education (CDE) SARC web page at <https://www.cde.ca.gov/ta/ac/sa/>
- For more information about the LCFF or the LCAP, see the CDE LCFF web page at <https://www.cde.ca.gov/fg/aa/lc/>
- For additional information about the school, parents/guardians and community members should contact the school principal or the district office.

#### DataQuest

DataQuest is an online data tool located on the CDE DataQuest web page at <https://dq.cde.ca.gov/dataquest/> that contains additional information about this school and comparisons of the school to the district and the county. Specifically, DataQuest is a dynamic system that provides reports for accountability (e.g., test data, enrollment, high school graduates, dropouts, course enrollments, staffing, and data regarding English learners).

#### California School Dashboard

The California School Dashboard (Dashboard) <https://www.caschooldashboard.org/> reflects California's new accountability and continuous improvement system and provides information about how LEAs and schools are meeting the needs of California's diverse student population. The Dashboard contains reports that display the performance of LEAs, schools, and student groups on a set of state and local measures to assist in identifying strengths, challenges, and areas in need of improvement.

#### Internet Access

Internet access is available at public libraries and other locations that are publicly accessible (e.g., the California State Library). Access to the Internet at libraries and public locations is generally provided on a first-come, first-served basis. Other use restrictions may include the hours of operation, the length of time that a workstation may be used (depending on availability), the types of software programs available on a workstation, and the ability to print documents.

## 2025-26 School Description and Mission Statement

Cirby Elementary School opened in 1954 and is one of twenty-one schools in Roseville City School District. Cirby school enrollment is 357.

The Cirby School Mission Statement is: Cirby School exists to educate, encourage, support, and inspire all children to become responsible, confident, and independent life-long learners and leaders.

Cirby School's vision is one in which the staff, students, parents, and community will collaborate to provide a learning community of professional learners that:

1. Focuses on high-quality instruction with ongoing reflection on student achievement.
2. Modifies instruction and uses research-based interventions based on student needs determined through the use of continuous progress monitoring of student achievement.
3. Maximizes the education of each student by teaching the essential standards in preparation for students to be college and career-ready.

### A. Conditions of Learning **State Priority: Basic**

The SARC provides the following information relevant to the State priority: Basic (Priority 1):

- Degree to which teachers are appropriately assigned and fully credentialed in the subject area and for the pupils they are teaching;
- Pupils have access to standards-aligned instructional materials; and
- School facilities are maintained in good repair.

## 2025-26 Quality, Currency, Availability of Textbooks and Other Instructional Materials

Roseville City Elementary held a public hearing on September 25, 2025, and determined that each school within the district had sufficient and good quality textbooks, instructional materials, or science lab equipment pursuant to the settlement of Williams vs. the State of California. All students, including English learners, are given their own individual standards-aligned textbooks or instructional materials, or both, in core subjects for use in the classroom and to take home. Textbooks and supplementary materials are adopted according to a cycle developed by the California Department of Education, making the textbooks used in the school the most current available. Materials approved for use by the State are reviewed by all teachers and a recommendation is made to the School Board by a selection committee composed of teachers and administrators. All recommended materials are available for parent examination at the district office prior to adoption.

## School Facility Conditions and Planned Improvements

### General

The District takes great efforts to ensure that all schools are clean, safe, and functional. To assist in this effort, the District uses a facility survey instrument developed by the State of California Office of Public School Construction. The results of this survey are available at the Maintenance Office.

### Maintenance and Repairs:

District maintenance staff ensures that the repairs necessary to keep the school in good repair and working order are completed in a timely manner. A work order process is used to ensure efficient service and that emergency repairs are given the highest priority. The District annually inspects wheelchair lifts, tests fire extinguishers, inspects and services all playground backboards, replaces bark on playgrounds and landscaping, and services HVAC units.

### School Facility Repair Status:

Overall Summary of School Facilities Good Repair Status – Exemplary

## School Facility Conditions and Planned Improvements

The inspection included a check of possible gas leaks, mechanical systems, interior and exterior doors and windows, interior surface areas, structural damage, electrical, playground equipment, and hazardous materials. In all areas this school passed inspection.

### Cleaning Process and Schedule:

The District has adopted cleaning standards for all schools in the District. The principal works daily with the custodial staff to develop cleaning schedules to ensure a clean and safe school.

### Deferred Maintenance Budget:

The District participates in the State School Deferred Maintenance Program, which provides state matching funds on a dollar-for-dollar basis, to assist school districts with expenditures for major repairs or replacement of existing school building components. Typically, this includes roofing, plumbing, heating, air conditioning, electrical systems, interior or exterior painting, and floor systems. Since 2008-2009 the State has suspended the program due to State Budget Reductions. The District still maintains its own program.

## B. Pupil Outcomes

## State Priority: Pupil Achievement

The SARC provides the following information relevant to the State priority: Pupil Achievement (Priority 4):

### Statewide Assessments

(i.e., California Assessment of Student Performance and Progress [CAASPP] System includes the Smarter Balanced Summative Assessments for students in the general education population and the California Alternate Assessments [CAAs] for English language arts/literacy [ELA] and mathematics given in grades three through eight and grade eleven. Only eligible students may participate in the administration of the CAAs. CAAs items are aligned with alternate achievement standards, which are linked with the Common Core State Standards [CCSS] for students with the most significant cognitive disabilities).

The CAASPP System encompasses the following assessments and student participation requirements:

1. **Smarter Balanced Summative Assessments and CAAs for ELA** in grades three through eight and grade eleven.
2. **Smarter Balanced Summative Assessments and CAAs for mathematics** in grades three through eight and grade eleven.
3. **California Science Test (CAST) and CAAs for Science** in grades five, eight, and once in high school (i.e., grade ten, eleven, or twelve).

### College and Career Ready

The percentage of students who have successfully completed courses that satisfy the requirements for entrance to the University of California and the California State University, or career technical education sequences or programs of study.

## Percentage of Students Meeting or Exceeding the State Standard on CAASPP

This table displays CAASPP test results in ELA and mathematics for all students grades three through eight and grade eleven taking and completing a state-administered assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

ELA and mathematics test results include the Smarter Balanced Summative Assessments and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

Subject	School 2023-24	School 2024-25	District 2023-24	District 2024-25	State 2023-24	State 2024-25

## 2024-25 CAASPP Test Results in ELA by Student Group

This table displays CAASPP test results in ELA by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

ELA test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus

the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

Note: The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

## 2024-25 CAASPP Test Results in Math by Student Group

This table displays CAASPP test results in Math by student group for students grades three through eight and grade eleven taking and completing a state-administered assessment.

Mathematics test results include the Smarter Balanced Summative Assessment and the CAA. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the Smarter Balanced Summative Assessment plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA divided by the total number of students who participated in both assessments.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

## CAASPP Test Results in Science for All Students

This table displays the percentage of all students grades five, eight, and High School meeting or exceeding the State Standard.

Science test results include the CAST and the CAA for Science. The “Percent Met or Exceeded” is calculated by taking the total number of students who met or exceeded the standard on the CAST plus the total number of students who met the standard (i.e., achieved Level 3–Alternate) on the CAA for Science divided by the total number of students who participated in a science assessment.

To protect student privacy, double dashes (--) are used in the table when the cell size within a selected student population is ten or fewer.

The number of students tested includes all students who participated in the test whether they received a score or not; however, the number of students tested is not the number that was used to calculate the achievement level percentages. The achievement level percentages are calculated using only students who received scores.

### B. Pupil Outcomes

#### State Priority: Other Pupil Outcomes

The SARC provides the following information relevant to the State priority: Other Pupil Outcomes (Priority 8): Pupil outcomes in the subject area of physical education.

## 2024-25 California Physical Fitness Test Participation Rates

This table displays the percentage of students participating in each of the five fitness components of the California Physical Fitness Test Results. The administration of the PFT requires only participation results for these five fitness areas. Percentages are not calculated and double dashes (--) appear in the table when the number of students tested is ten or less, either because the number of students in this category is too small for statistical accuracy or to protect student privacy.

## C. Engagement

### State Priority: Parental Involvement

The SARC provides the following information relevant to the State priority: Parental Involvement (Priority 3): Efforts the school district makes to seek parent input in making decisions regarding the school district and at each school site.

#### 2025-26 Opportunities for Parental Involvement

Cirby School appreciates and is grateful to the many parents who volunteer and/or coordinate activities on campus. The staff, students, and community of Cirby School are committed to the belief that parents are the foundation for successful student achievement, and that their involvement in their child's education, both on and off our campus, increase the success for all students.

Cirby Elementary School is supported by parent and community volunteers. The Parent Teacher Club (PTC), Art Docent Program, School Site Council (SSC) and English Learner Advisory Council (ELAC) are an integral part of this volunteer base. The PTC is made up of parents and teachers who seek to better the educational opportunities for students. The SSC and ELAC are made up of parents and staff who are elected by their peers. These committees meet every other month to evaluate the progress of our school plan, to modify program objectives, and to develop activities that meet the needs of our students. Additionally, they help monitor the Title 1 requirements of the Every Student Succeeds Act (ESSA) legislation and the District's Local Control Accountability Plan (LCAP). The English Language Advisory Council is made up of parents of English Language Learners and school staff. This council assists in monitoring the English Language Development program and specific unique curriculum needs of these students. Cirby School's annual Back-to-School Night informs parents about the classroom daily schedule, curriculum and behavior expectations. Open House in the Spring, gives parents an overview of student and classroom accomplishments. Parents are notified about their children's school progress through Parent-Teacher Conferences, Progress Reports, Report Cards, Student Support Protocol) SSP meetings, Individualized Educational Plan (IEP) meetings, informal phone calls, positive postcards, emails, and conferences. Parents of 3rd - 5th graders are notified of their child's achievement level on the CAASPP, CA Assessment for Student Performance and Progress, and the English Language Proficiency Assessments for California (ELPAC) for our English Learners. Additionally, they are kept informed regarding student results on local and District assessments in Reading, Writing and Mathematics through Progress Reports, Report Cards, and informal teacher meetings, phone calls and emails.

Cirby School provides many parent education opportunities. Information workshops and Parent Nights are offered on different topics of interest. Cirby School has strong community linkages, which benefit students and their families in many ways. Please contact the school's office at 916-771-1730 for more information about opportunities for parent involvement.

## 2025-26 School Safety Plan

Student safety is a priority for the Cirby School Staff. The School Safety Plan was reviewed and approved by the School Site Council on December 10, 2025 and will be submitted for final approval by the board in February 2026. The plan includes procedures for coordinating resources to respond to any emergency including natural disasters, environmental health issues, accidents, or intruders. Safety drills (Evacuation, Shelter in Place, Lockdown, and Earthquake) are held regularly to allow students and staff enough practice so that in a real emergency situation, safety procedures will be followed. All visitors are required to sign in at the front office, through the Raptor system, during the instructional day and obtain a visitor's pass. The staff has been assigned key roles and trained to work efficiently with each other and with other public service officers to ensure the safety of students and staff. Cirby Elementary School remains a safe environment for students, parents, and staff.

## Professional Development

In alignment with the Roseville City School District board goals, the Professional Development Advisory Committee (PDAC) plan was developed to create a comprehensive three-year professional development plan for the District. Training is provided to administrators and teachers that align with this plan during two professional development days. In addition, the school sites are provided with two additional professional development days to focus on school site goals.

Other areas of professional development at Cirby School include:

Ongoing Professional Development at the site level is provided for PBIS (Positive Behavior Intervention Systems) with a special focus on Tier 2 and Tier 3 interventions, promoting positive attendance and decreasing chronic absenteeism, Social-Emotional Learning, Restorative Practices, including Mindfulness and trauma-informed strategies for the classroom and school-wide, use of academic vocabulary school-wide, Response to Intervention strategies, Assessment and teaching strategies for English Learners and team-building and training in the use of GLAD (Guided Language Acquisition Design) strategies. PLCs have chosen 5 collective commitments for the teaching of GLAD units - in turn, we have chosen 3 collective commitments for school-wide strategies throughout the grade levels.
